**ACHS HONORS ANATOMY & PHYSIOLOGY (all sections)**

**SUMMER PROJECT 2017**

**Assignment**: A&P involves learning a lot of vocabulary; and saying there's a lot is probably an understatement. In September, we'll start with an orientation to the human body. Your summer assignment is to look up (use your new textbook) the location of the body regions listed on the attached sheet.

**Due Date**: 2nd class meeting in September (late work will NOT be accepted)

**Grading**: Worksheet = homework grade

You will be tested on this material shortly after the start of school! Date will be announced 1st day of class.

**Questions**: email Mrs Ampe at sampe@achs.net

**Worksheet**: See attached page
